Creative and strategic **Digital Marketer & Social Media Manager** with a strong foundation in SEO, analytics, paid advertising, content marketing, and visual design. I combine web development knowledge with marketing strategy to create campaigns that drive engagement, growth, and measurable ROI. Experienced using HubSpot, SEMrush, Google Analytics, Google Ads and Meta Ads Manager to optimize performance and report measurable results.

Skills

- **Social Media Strategy & Campaign Management** (organic + paid)
- **Search Engine Optimization** (On-page, Technical, Off-page; SEMrush)
- **Paid Advertising** (Google Ads, Meta / Facebook & Instagram Ads)
- **Email Marketing & Automation** (HubSpot, Systeme.io**,** Mailchimp)
- **Analytics & Reporting** (Google Analytics GA4 / GAIQ, HubSpot Reporting)
- **Content Marketing & Storytelling** (blogs, carousels, short-form video)
- **Web & Marketing Tech** (HTML, CSS, JavaScript, WordPress, Webflow)
- **Design & Visual Branding** (Canva, Adobe Photoshop)
- **Social Media Tools** (Hootsuite, Buffer, Meta Business Suite)

Experience

Digital Marketing Strategist (Contract) 2025-09 – 2026-03 *The1999Agency*

- Led the digital campaign infrastructure and marketing execution for the agency's anniversary growth campaign, focusing on lead generation, funnel optimization, and brand repositioning.
- Designed and built lead generation funnels using Systeme.io, including landing pages, email workflows, and automated lead nurturing sequences.
- Repositioned the agency's brand messaging and supported minor rebranding adjustments to improve clarity and positioning.

- Implemented HubSpot workflows for lead capture and nurturing, improving lead-to-client conversion tracking.
- Created and optimized landing pages for webinars, consultations, and lead magnets to increase qualified lead capture.
- Managed paid advertising campaigns through Meta Ads Manager, planning budgets, audience targeting, and creative testing.
- Monitored performance using Google Analytics and Metricool, producing insights to guide campaign adjustments.
- Managed social media publishing and campaign coordination through Meta Business Suite.
- Wrote website SEO-oriented articles and marketing content to support organic traffic and authority building.
- Developed email marketing campaigns and automated workflows for lead follow up and campaign engagement.

Digital Marketer 2023-12 – 2025-07 *Creacove*

- Grew Instagram engagement by 60% through artist-focused series and data-driven content scheduling.
- Produced SEO-driven blog content; using SEMrush keyword research and HubSpot content planning to improve search visibility.
- Managed paid prospecting and retargeting campaigns on Meta to drive sign-ups and discover traffic.
- Implemented HubSpot workflows for lead capture and nurturing, improving lead-to-client conversion tracking.
- Analyzed audience behavior with GA4 and HubSpot Reporting to iterate content strategy.
- Executed cross-channel growth strategies across Instagram, LinkedIn, Twitter and Facebook.
- Ran paid campaigns (daily budget planning) and optimized ad spend to deliver a 20% increase in qualified leads.
- Aligned product messaging for landing pages, supporting conversion rate improvements via A/B testing and analytics.

Social Media / Community Manager 2025-01 –2025-07 *Ordersounds Beat Marketplace*

- Built multi-platform campaigns (TikTok, Twitter, Instagram, Facebook), increasing community engagement by 45% in 3 months.
- Designed motion posts, carousels and short videos that contributed to 300+ new producer sign-ups.
- Launched targeted paid campaigns using Meta Ads Manager, optimizing creative and audiences to reduce CPA.
- Built a performance dashboard combining HubSpot Reporting for weekly stakeholder updates.
- Managed an active community of 200+ producers across WhatsApp and Telegram.
- Automated email marketing sequences for onboarding and monthly updates.

Social Media Manager 2024-01 – 2025-02 *Synergic Sustainability*

- Designed awareness campaigns and educational content resulting in 35% follower growth in 4 months.
- Improved engagement through audience interaction and scheduled posts.
- Leveraged Google Analytics and HubSpot to measure performance and guide strategy.
- Analyzed campaign data to optimize reach and engagement across platforms.
